GO VOTE!

This is a great country! To keep it that way,
We each have a role and a part we must play.
With different opinions, we won't all agree,
Who to elect, but thank God we are free!

So make up your mind and go vote.

Know what you believe and who you support.
And who are the judges you want on the court.
Ask the hard questions; then you must decide,
The person you choose. Let your heart be your guide.

Just remember you have to go vote.

The party's important. Know where you stand.
But choosing a leader is more than a brand.
One nation, united. "In God we trust".

He answers our prayers, but remember you must,

Go pick up your ballot and vote.

*The Pledge
of Allegiance*

*I Pledge Allegiance to the flag
of the United States of America
and to the Republic for which it stands,
one Nation under God, indivisible,
with liberty and justice for all.*

FOR SUCH A TIME!

Esther was smart. She was young and unknown.
Raised as an orphan, she faced life alone.
Picked in a pageant, she started the climb.
Life had prepared her, *"For Such a Time."*

A bold and brave woman, she had what it took.
Accepting her role, she lived by the book.
When her time came, the queen took her stand.
Things didn't work the way Haman had planned.

Risking her life, she confounded the news,
When word got out that her people were Jews.
She'd had her critics who called her extreme!
Now many switched parties to be on her team.

God had a plan then; and He has one now.
God uses people. He knows when and how.
Good men and women who trust Him to guide.
People of faith, who are on God's side.
